

S Series side furniture

The **S Series** is a modular cabinet system with a variety of structural options: double doors, sliding doors, horizontal shutters, and shelves. The modularly coordinated heights and depths of the bodies allow any combination of the various types of cabinet. All S Series cabinets can be optionally fitted with acoustically effective front facades and back panels which make an important contribution to pleasant room acoustics in open working environments.

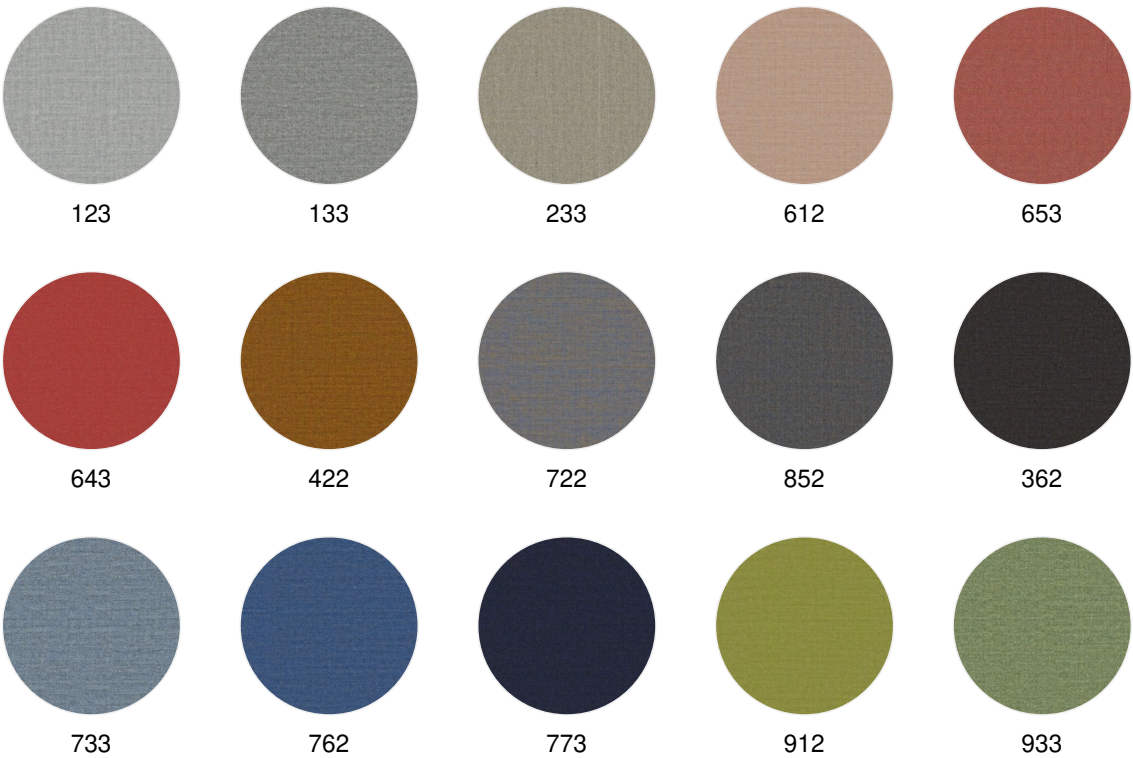

Product features

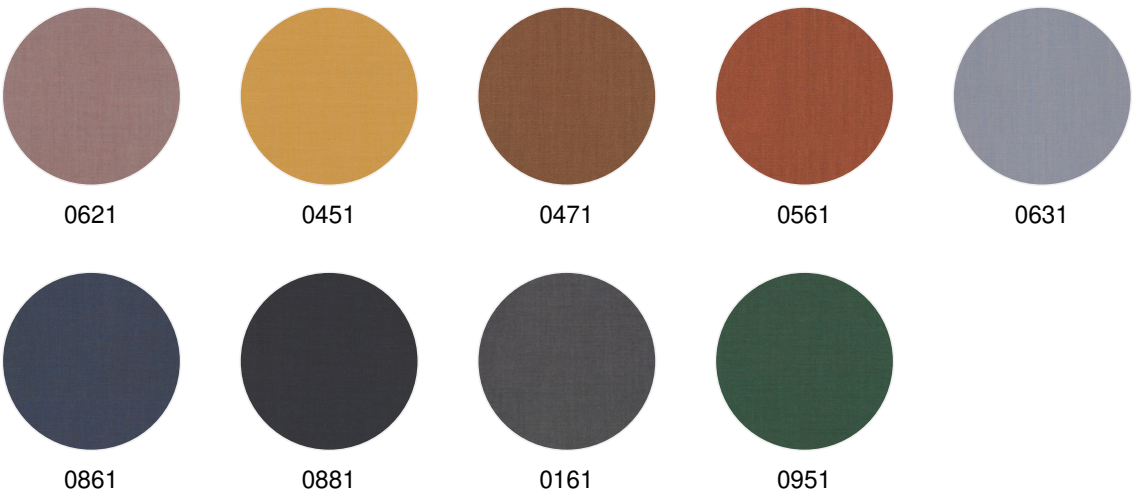

- Modular cabinet system with numerous structural options: double doors, sliding doors, horizontal shutters, and shelves
- Can be assembled as free-standing units within a room: 16 mm flush-mounted back panel as standard
- Can be equipped with acoustic elements: Acoustic front and fabric-covered acoustic back panel
- Back panel with tongue and groove structuring for high stability
- Leg base or steel base options
- Electric base facilitates convenient cable routing under the cabinet
