CN Series Sitting/standing table with sliding table top

Product features

- Ergonomic work table thanks to electromotive height adjustment and convenient access to electrification thanks to sliding top
- Available in different widths (1600 to 2000 mm) and in three depths (800, 900, 1000 mm) for individual adaptation to requirements
- Large lifting range: 650 – 1280 mm
- Lifting speed: 50 mm/sec
- Quiet operation: Noise level during operation < 42 dB
- Start-up behavior of the tables is very quiet and smooth
- Convenient cable management thanks to vertical and horizontal cable duct, cable outlets and CPU holder
- With premium collision protection
- Optional equipment memory control

Electrification

Electrification options

- Sliding table top with brush seal on the rear edge of the desk
- Smart cable management due to flexible cable chain or cable stocking to guide the cables up to standing height as well as steel cable tray for invisible cable routing on the table leg; handling: easily removable without tools through clip fastening
- Netbox: Sockets are accessible to the user directly at the table – can be individually equipped with power and data sockets
- Cable outlet at the rear edge of the table
