

CN Series Sitting/standing table

Product features

- Ergonomic worktable thanks to electrical height-adjustment
- fixed top
- Available in various widths from 1600 to 2000 mm and in three depths (800, 900, and 1000 mm)
- Large lifting range: 650 – 1280 mm
- Lifting speed of 50 mm/sec
- Quiet operation: Noise level during operation < 42 dB
- Start-up behavior of the tables is very quiet and smooth
- Convenient cable management thanks to vertical and horizontal cable duct, cable outlets and CPU holder
- With premium collision protection
- Optional equipment memory control

Electrification

Electrification options

- Fixed table top with fold-down cable duct
- Clean cable management through flexible cable chain or cable stocking for routing cables up to standing height as well as steel cable channel for invisible cable routing on the leg; handling: easily removable without tools through clip fastener
- Netbase: For direct, convenient access to power and data connections with brush for dust-tightness and to fix cables in place
- Netbox: Connections are directly accessible to the user at the table – can be individually equipped with power and data connections
- Cable outlets: Round or angular to match the table frame, can also be attached to the rear edge of the table
