

Wilkhahn

Durability, lasting design and high functional quality: the furniture manufacturer Wilkhahn has been committed to these objectives for more than 60 years. The company, which is based near Hanover, has relied on cooperation with renowned designers right from the start, and this has developed into a distinctive aesthetic. Today this is complemented by systematic consideration of environmental and ergonomic criteria. Wilkhahn products are well matched to our product portfolio, and are also offered by us in the project.
