

sum move Fauteuil

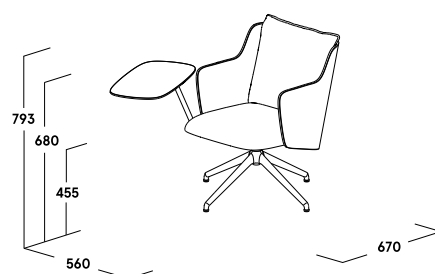

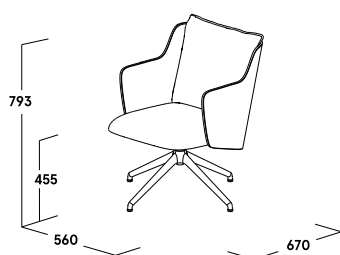

La composition additive de l'élément d'assise, du dossier, du coussin et de la table AddOn offre de nombreuses possibilités d'aménagement et d'utilisation. Le dossier est en bois moulé en chêne, peut être laqué dans différentes couleurs. Grâce aux coussins, le fauteuil sum move offre un excellent confort d'assise et invite à la détente.

Caractéristiques du produit

- conception additive: piètement, coussin d'assise, coussin de dossier, et AddOn Table
- piètement 4 branches sur roulettes ou patins
- complété par AddOn Table comme poste de travail MIni
- grand confort d'assise
- grande diversité d'aménagement grâce au grand choix de couleurs de tous les composants – et à la grande collection de textiles ophelis
- coussins et rembourrages au choix
