

ophelis deem meta

Caractéristiques du produit

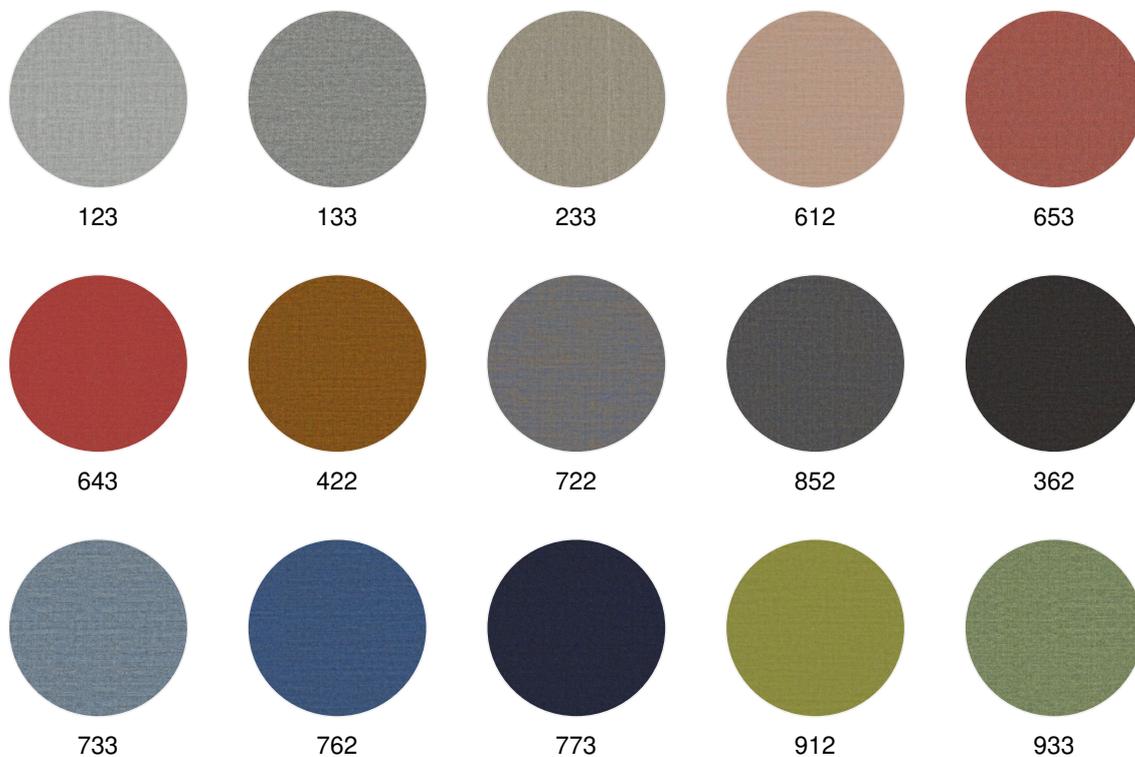

- Meuble structurant l'espace, avec un aspect confortable, qui devient le point central du travail en équipe et de la communication, dans les bureaux paysagers et les espaces dédiés au travail en équipe et en mode projet
- Les murs recouverts d'un textile servent d'espace de présentation et peuvent être préparés pour devenir des parois acoustiques
- Une barre servant de penderie est intégrée
- Possibilité d'y intégrer des étagères, des places assises et des bacs pour plantes
- En option : tableau blanc amovible
- Les places assises peuvent être complétées par des coussins
