

Benches

Benches

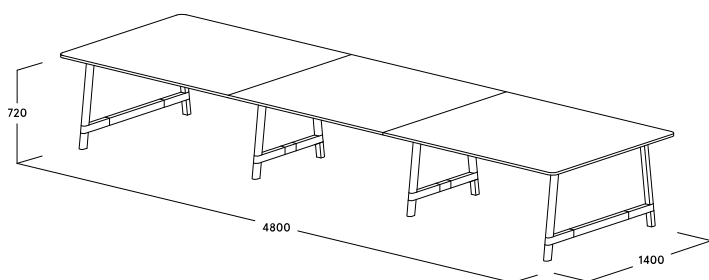

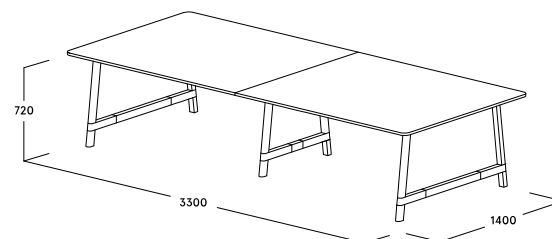

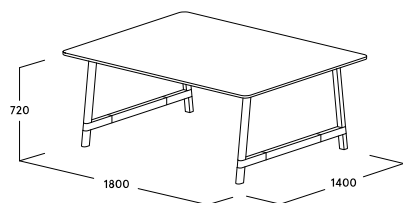

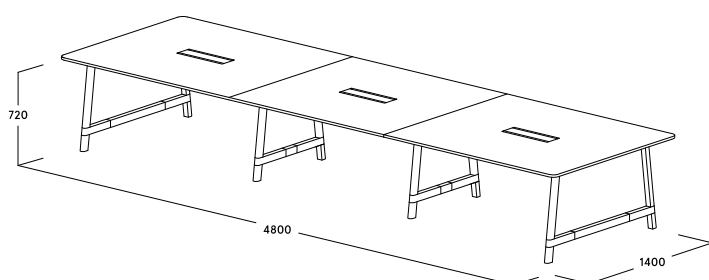

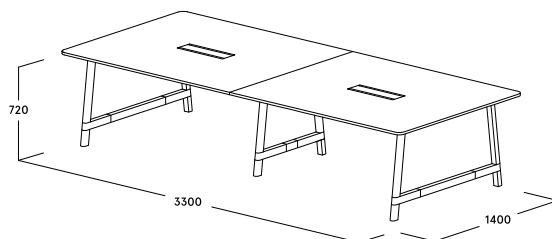

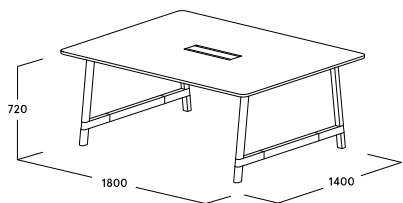

Flexibel, kommunikativ und effizient im Open Space: Bench-Lösungen ermöglichen eine optimale Raumnutzung in offenen Arbeitsumgebungen und geben Teams gleichzeitig die Bewegungsfreiheit, die sie für erfolgreiches Arbeiten benötigen. Das Verbinden von Tischen zu großzügigen Arbeitsflächen unterstützt den Informationsaustausch in der Gruppe, beschleunigt Abstimmungsprozesse und erlaubt jederzeit die Integration neuer Mitglieder.

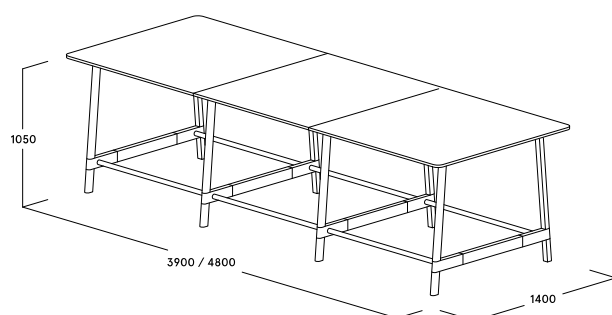

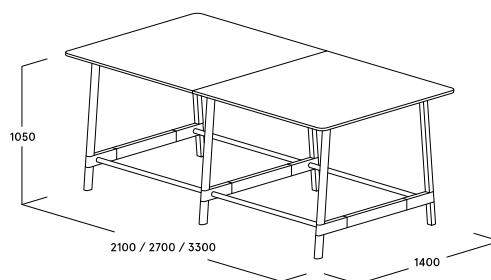

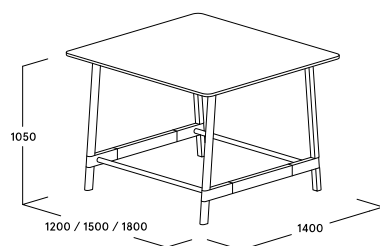

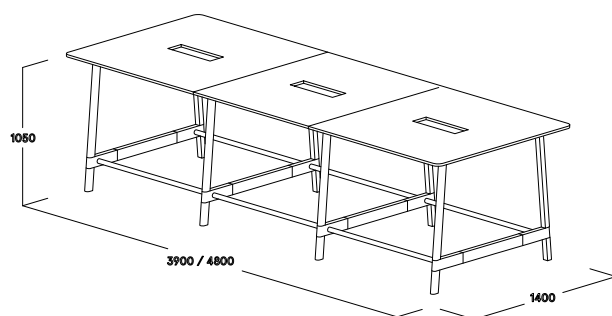

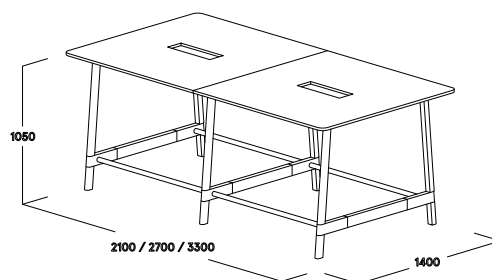

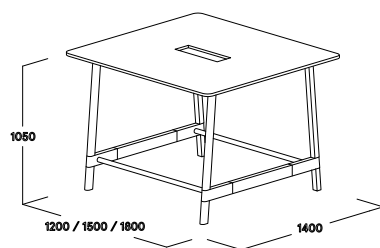

ophelis bietet Benches in unterschiedlichen Systemen – **Reihe CN Duo, Reihe U4, Reihe Z**, oder bei **ophelis docks** – an. Die Bench-Lösungen lassen sich an die wechselnden Anforderungen anpassen und bieten gleichzeitig mehreren Personen Platz, sodass intensive Kommunikation wie auch konzentriertes Arbeiten gleichermaßen möglich sind.
